

Isabella 50

Radiators  Direct

48 - 72 hours for white
15 working days for colour

10 Year
Guarantee

25 RAL colours
8 Special Finishes

Overview

Easy to install, the Isabella 50 range suits any modern or contemporary interior. A smooth, sleek space-saving solution, the Isabella 50 is a radiator that makes a statement anywhere it's placed. Manufactured from 50mm flat rectangular tubes the range is a sister to the larger Isabella 70.

This fully stocked range comes in a horizontal format and is supplied with wall brackets, and available in four heights and six widths.

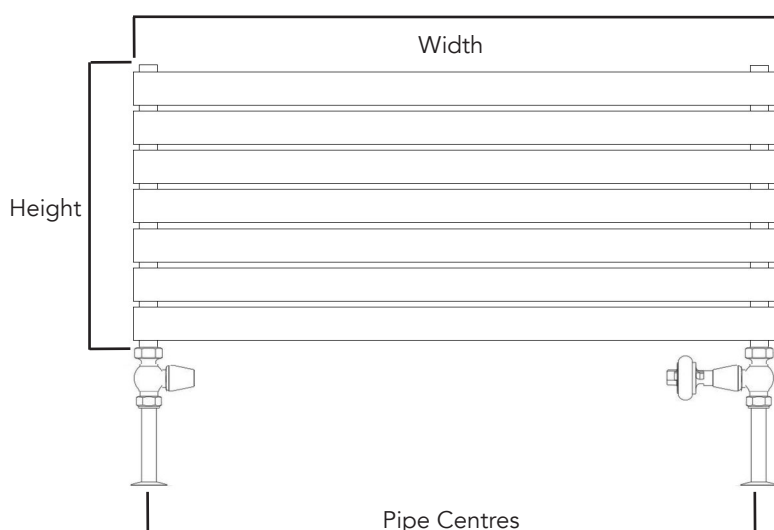

Manufactured and tested to EN442, these flat tubed convector radiators are powder coated in White RAL 9016 as standard but as an option they can be finished in a range of colours and special finishes, all covered by a 10-year guarantee.

- Italian design & manufacture
- Steel 50mm flat tubes
- 4 heights and 6 widths to choose from
- White RAL 9016 as standard
- 25 RAL colours & 8 special finishes available
- Available in horizontal & vertical
- 48 - 72 hours delivery for white
- 15 working days delivery for colour
- 10 year Guarantee

Colour and Finishes

Leoni is available in a selection of 26 RAL colours and 8 Special Finishes. Colour is hugely important in all of our home's décor. We all care greatly about the colour of our walls, so why not about the radiators that adorn them? When selecting a RAL colour or special finish we recommend that you always choose your final colour from one of our colour chips for the best representation of the colour.

Please note that due to screen resolution and manufacturing tolerances, the colour (including white) of a finished radiator may vary slightly from the colours represented on the website. We strongly advise taking the time to order one or more of our colour samples, to ensure you choose the correct colour for your room and taste.

It should also be noted the finished colour of radiators may slightly vary should they be ordered and painted at different times.

Order a Colour Sample

Accessories

Personalise your radiators by choosing from our range of radiator accessories. All of our accessories are designed to perfectly complement our radiators and are built to the highest standards in Italy.
