Finishes

Overview

The Zollo towel rail features protruding 23mm round cross tubes, maximising hanging space and easy access to hang towels. It is available in a variety of size options, including 8 different configurations with heights of 620mm, 900mm, 1100mm and 1300mm, all in widths of 500mm and 600mm. The towel rail is supplied with wall brackets for easy installation.

Manufactured and tested to EN442. They come as standard in a white powder coat finish RAL 9016 but are available in a range of 52 colours and finishes. Additionally, they include a 10-year guarantee.

The Zollo towel rail range is easy to install, transforming any modern or contemporary interior into an inspiring space.

- 23mm round tubed towel rail with extruding towel bars
- 4 heights and 2 widths to choose from
- White RAL 9016 as standard
- 53 colours and finishes available
- 48 - 72 hours delivery for white
- 8 - 10 working days delivery for colour
- 10-year Guarantee

Colour and Finishes

The Zollo is available in a selection of 53 colours and finishes. Colour is hugely important for our home's décor. We all care about the colour of our walls, so why not about the radiators that adorn them? When selecting a colour or finish we recommend that you always choose your final colour from one of our colour chips for the best representation of the colour.

Please note that due to screen resolution and manufacturing tolerances, the colour (including white) of a finished radiator may vary slightly from the colours represented on the website. We strongly advise taking the time to order one or more of our colour samples, to ensure you choose the correct colour for your room and taste. It should also be noted the finished colour of radiators may slightly vary should they be ordered and painted at different times.
